

WED 560 Literature Review Assignment

Due July 27, 2009

8-10 pages for 150 points

Problem Statement and Significance _____ **30 points**
(Problem is clearly defined, supported with scholarly work, and cited correctly.)

Literature Utilized for the Review _____ **30 points**
(References are relevant to the problem/research question, mostly scholarly, and are not more than 10 years old.)

Review of the Literature _____ **60 points**
(Three (3) relevant categories/themes are presented clearly and cited correctly.)

Conclusion _____ **20 points**
(A brief summary of the literature findings is connected to the problem/research question and an analysis of the topic is provided.)

Professional Preparation _____ **10 points**
(Literature Review has few (0-2) grammar, spelling, and APA errors.)

Total _____ **150 points**

NOTE: Five points are deducted for each missing component under each section. For example, if the Problem is *not clearly defined* and *cited incorrectly*, 5 points will be deducted for each, with a total of 10 points deducted.
