

WED 560 Professional Presentation
100 Points

Name: _____

Complete a PowerPoint presentation that effectively communicates your final literature review's problem statement, significance, synthesis of the literature, and preliminary conclusion within a 5-15-minute timeframe. Although your literature review is not due at the time of the presentation, you must include enough of its basic contents to adequately inform the audience. Five points will be deducted for each missing component.

The following is the evaluation criteria:

Problem Identification _____ 25 points

- The student clearly and concisely articulated the problem statement and significance of the problem.
- The student supported the problem with at least two citations.

Comments:

Literature Review _____ 25 points

- The student clearly discussed literature that supported the identified problem.
- The student presented the relevant themes derived from the literature search.

Comments:

Preliminary Conclusion _____ 25 points

- The student provided a brief summary that connected the problem and literature.
- The student's preliminary conclusion is appropriately drawn based on the review of the literature.

Comments:

Professional Preparation _____ 25 points

- The PowerPoint is free of punctuation, spelling, and grammatical errors.
- The student used correct English grammar and proper pronunciation.
