

WED 581 Final Individual Project Evaluation

Design a diversity training module that addresses an important workplace diversity issue. You must have a goal for the training and a minimum of 3 objectives. You may use a real or hypothetical organizational issue to design your training around.

Based on what you have learned in this course, the Final Project will be graded as follows:

Diagnosis of Diversity Problem

Description of the Organization and Audience

(What is the problem for which the training is necessary?

For whom is the project developed?)

/20 points

Clearly Defined Purpose

(What is the goal of the training component? What are the objectives)

/20 points

Approach: The Component of Diversity Training

Potential for Impacting the Organization and/or Employees

(Professor will determine the likelihood that it will be beneficial.)

/40 points

Potential for Acceptance and Application by Audience

(Professor will determine the likelihood that it will be utilized.)
