

WED 581 Workforce Diversity
30-Minute Team Presentation on Workforce Diversity 150 points

Group Members:

Appropriateness of Diversity Topic:

Important and relevant topic for workforce educators, which utilizes content and language from the course (texts, articles, and/or class lectures, with citations)

/50

Workplace Application:

Applicable and practical activities for the workplace/classroom that engage the audience

/50

Creativity of Delivery:

Method of delivery and materials are conducive to workplace learning (handouts, list of references, etc.)

/25

Active Participation of All Members:

Engaged, effective, and knowledgeable team members

/25

Total: /150

Please be sure that you engage the class in learning by providing activities. Handouts, references, and other resources are also required.

Five (5) points will be deducted for each missing component or incorrect information presented. For example, if the topic is relevant, but content/language from the course is not utilized, five points will be deducted. All of the points in each section may be deducted if the section is not addressed. For example, if only one of four members participates in the presentation, while the others watch, twenty-five points will be deducted.
